Subject: Event Center Participation and Community Pride

Hi Folks,

As we near completion of the Broske Center and get ready to install the final touches, we wanted to offer one final opportunity to demonstrate community participation and pride. While funding such projects as the event center is a main objective, listing hundreds of donors on the entrance kiosk will demonstrate community commitment, support and spirit. Visitors will see this lengthy list of donors as they walk by the kiosk and sense the community's connection to this place. Decades from now, your descendants will point with pride to your name when visiting the event center, noting that their parents, grandparents, great-grandparents, etc. were part of making this event center possible. The Rountree Branch Trail project was able to list more than 500 community donors. Let's make sure the Broske Center can list an equal number. **Please forward this to** your family, friends and organizations encouraging a small donation to help take us over the 500-participation mark!! Consider making a small donation in the name of your children, grandchildren, or organization. Help show what we can accomplish when we all work together to make Platteville an even better place to live, work, and play.

Please make checks payable to: **Inspiring Community, Inc.**, and note **Event Center** on memo line. Please send to **Inspiring Community, Inc., PO Box 503, Platteville, Wi 53818.**
